MEMORANDUM FOR HQ AFCESA/CC
ATTN: COL BRUCE BARTHOLD

FROM: HQ AFCA/WF
203 West Losey Street Room 2100
Scott AFB IL 62225-5222

SUBJECT: Networkiness Assessment for Airfield Criteria Education Training Package
(ACETP) Version 2.0, CoN1-SCD01497-090503-00-0

1. Our assessment of the Certificate of Networkiness (CoN) Determination Checklist and ACETP Bullet Background Paper provided by the program management office indicates this program does not adversely impact the Air Force Network. ACETP is a CD-ROM, self-contained Windows application; external data and network interfaces are not required. Therefore, completion of a formal Security Policy Compliance Assessment (SPCA) and Network Risk Assessment (NetRA) are not required for ACETP version 2.0. The CoN number issued above signifies this IT capability has been subjected to an assessment sufficient in depth to support the stated determination.
2. Any changes to the operational posture of this capability will require a networkiness assessment before such changes may be implemented.
3. My point of contact for ACETP is June Wilkin, HQ AFCA/ WFSL, DSN 779-6259, e-mail afca.wfsl@scott.af.mil.
